

School/District: Riverbank Elementary, WUSD County: Yolo County Implementation Stage: Initial Implementation

We saw

1. Needs

- Students produce limited amounts of oral academic language
- Students need to express their thinking or opinion regarding information using oral and/or written language, citing evidence from text

We committed ourselves to pursue goals

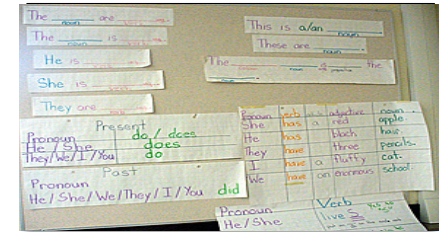

2. Outcomes

- Teachers plan opportunities for students to produce authentic oral and written language, focusing on opinions/arguments, with lessons aligned to ELD and ELA standards

3. Participant Identification

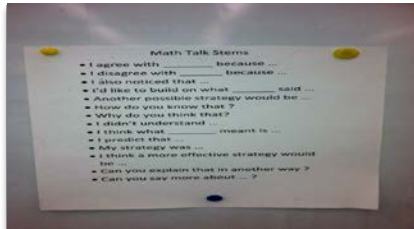

- A.L.L. Team
- Site Leadership Team
- TOSA
- District Office Staff
- Yolo County Staff

4. Focus and Approach

- **Applying Best Teaching & Learning Strategies:** Step Up to Writing, oral language strategies, and ELD standards
- **Using Assessment for Differentiation:** Collaborative *A.L.L. Meetings* (CAALM) will occur focused on writing and oral language development data and strategies.

We acted

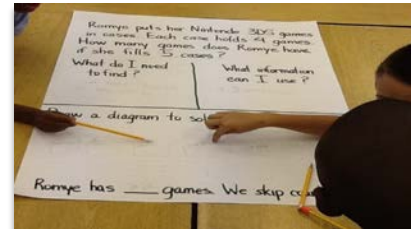

5. Action Steps

- Developed action plan for writing and oral academic language instruction through collaborative debriefing and coaching support
- Provide PD and collaborative debriefing support as follow-ups to Academic Language, Forms and Functions of Language, ELD Standards, and Language Objectives
- Monitor implementation progress and next steps bi-monthly with external support for administration and A.L.L. leadership team
- Attend district A.L.L. Leadership Team and A.L.L. Collaboration/Debriefing meetings

We achieved and reflected

6. Results

- A.L.L. site leaders understand the purpose of *A Look At Learning*
- Staff begins implementation and collaborative debriefing around producing authentic academic oral language and writing strategies
- Staff members begin to use strategies such as "longer and stronger," "speaking in paragraphs," and "pro/con clap."

7. Lessons Learned/Next Steps

- Continue with Focus Areas and plan the focus of site collaboration days a year ahead
- Implement the coaching model starting with A.L.L. leadership team
- Continuous cycle of improvement systems still need to be solidified via collaborative debriefing and coaching for targeted initiatives
