

## We saw

### 1. Needs

- Build staff collaboration, cohesion and relationships as two schools merge
- Develop pedagogical shift to CCSS instruction using "Inquiry Model."
- Support district implementation of language objectives focus

## We committed ourselves to pursue goals

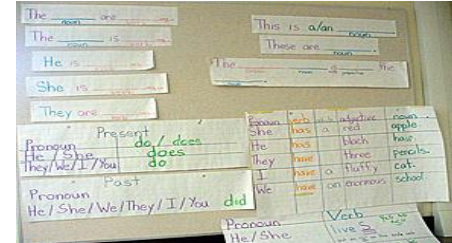

### 2. Outcomes

- Use 7 Ps of Collaboration as guidelines to build school culture with staff and students
- Use math journals and math talk to prepare staff and students for CCSS cognitive and language demands

### 3. Participant Identification

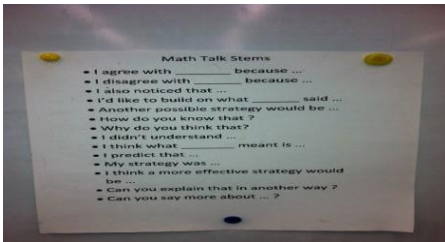

- A.L.L. Team
- Site Leadership Team
- Staff

### 4. Focus and Approach

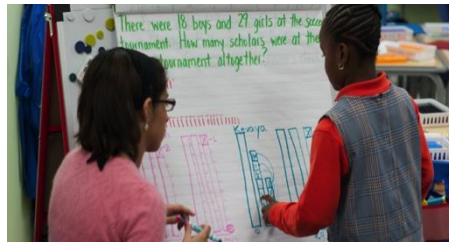

- Riverbank is focused on SDAIE
- Applying Best Teaching & Learning Strategies: *Math Journals & Math Talk*
  - Planning: *Writing language objectives*
  - Using Assessment for Differentiation: *Data assessment meetings will support RTI benchmarks monitoring*

## We acted

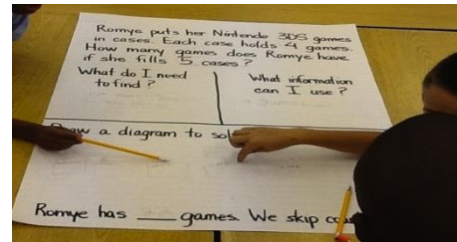

### 5. Action Steps

1. Developed action plan for collaboratively debriefing and coaching supports in SDAIE instruction
2. Provide PD and collaborative debriefing support as follow-up in CCSS, Math, ELA, Forms and Functions of Language, Language Objectives
3. Monitor implementation progress and next steps bi-monthly with external support for Administration and ALL Leadership Team
4. A.L.L. Leadership Team attended district A.L.L. Collaboration/Debriefing meetings
5. Introduce "Planned Language Opportunities" as CCSS instruction begins to shift into a more cognitive and language rich instructional approach

## We achieved and reflected

### 6. Results

1. A.L.L. Site Leadership understands the purpose of *A Look At Learning* and the focus areas being targeted
2. A.L.L. Site Leadership begins implementation and collaborative debriefing of language objectives and Planned Opportunities for Language Production (POLP)
3. Inquiry Teaching Model, Math Journal, Math Talk, and A.L.L. introduced to staff.
4. 7Ps at initial implementation built into school culture using weekly bulletin

### 7. Lessons Learned/Next Steps

1. A better understanding of A.L.L. framework by A.L.L. Leadership, but need to now build greater buy-in from all staff
2. Continue with Focus Areas and plan the focus of site collaboration days a year ahead
3. Continue cycle of improvement systems via collaborative debriefing and coaching with targeted initiatives
